ADMISSION

Pre-School: Early childhood education is an important component in the formation of a child. We open our arms to the tiny tots throughout the year. We offer age appropriate admission (as per the norms of the National Education Policy / Government of Karnataka / CISCE) in our Day Care, Nursery, Lower Kindergarten (LKG) and Upper Kindergarten (UKG). We provide the best care along with foundational learning for the kids.

Primary School (Grades I – V): Admission to the Primary Section of this top School at Electronic City begins with registration at the School Office or Online. The child has to undergo an admission test based on the syllabus that the child has passed in the last year or currently studying. All guidance and information, with regard to the results of the entrance test and the admission process, shall be provided to the parents / guardians of the children by the School Office. The normal admission process begins as early as October of the previous year. One can also pre-book seats through initial registration.

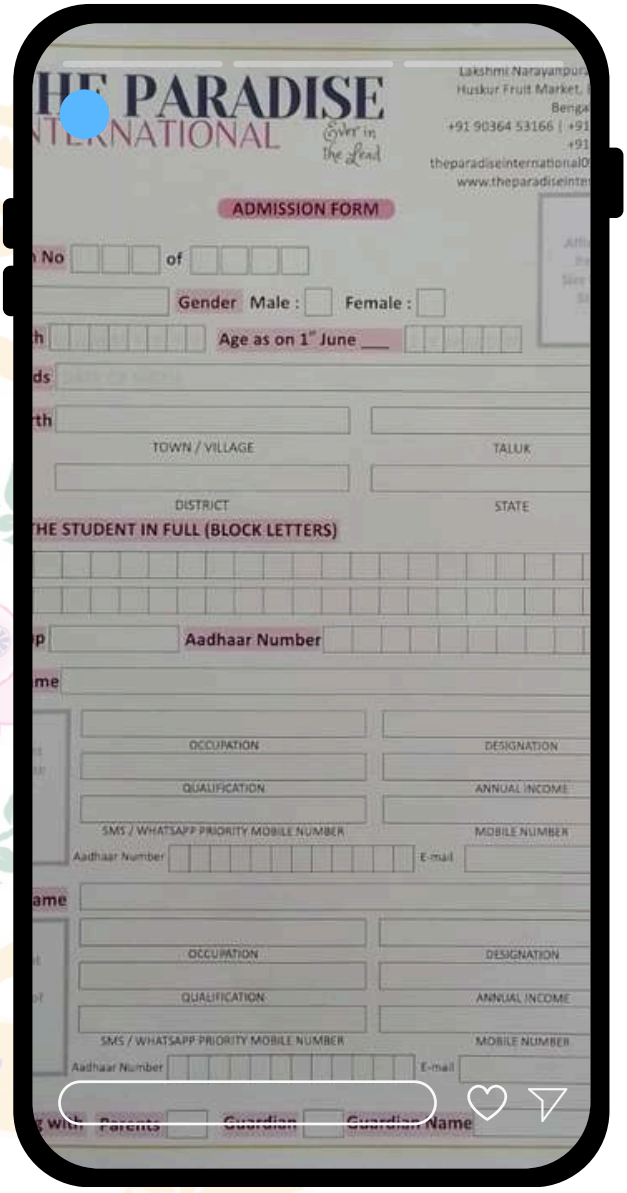

High School (Grades VI – X): The Paradise International is a School that has laid its foundation very strong in order to be ***Ever in the Lead***, with quality infrastructure and facilities, in addition to appointing engaging teachers. We shall proceed to higher classes year after year.

Important: Admission to the children of Parents / Guardians on transfer or on residential change are considered throughout the year, after diligently assessing every individual case. All admissions are subject to availability of seats in the respective Grades.
